Program Information

Requirements for admission to early childhood (EC) degree program. Include admission requirements	Initial Teacher Preparation Program Admission In order to pursue the sequence of courses necessary to complete eligibility for recommendation for certification, one must apply for and be admitted to the teacher preparation program. Admission requirements are common for all teacher preparation programs, except that certain special education programs have additional requirements.

	Each undergraduate student is responsible for applying to the teacher preparation program immediately after the semester in which the student has earned 56 credit hours. Transfer students with more than 56 credit hours should apply immediately after the semester in which they have earned 12 hours at EMU, including at least one course in their major. Students with 56 hours of transfer course work with a decision GPA of 3.0 may apply for admission to the teacher preparation program without 12 earned hours at EMU.
	
	Admission to the teacher preparation program is not automatic. Only those persons who have formally applied are considered for admission. Not all persons who apply become eligible for admission.
	
	Application forms and additional information are available online at www.emich.edu/coe/students. Teaching majors and minors are unofficial until program admission. Students pursuing teacher certification should follow the catalog that exists at the time of program admission. It is important that students apply to the teacher preparation program as soon as they have earned 56 credit hours.
	
	Criteria
	1. Completion of 56 credit hours
	2. Appropriate cumulative GPA. One of:
	  1. An overall EMU GPA of 2.5 or higher. At least 12 of the 56 credit hours taken at EMU with an EMU GPA of 2.5 or higher in your major (each of your majors if declaring a double major). You must complete at least one course in your major(s) in order to be eligible.
	  2. Transferred 56 credits with a cumulative 3.0 GPA from all previous institutions.
	3. A grade of "C" or higher (if taken) in the following courses:

	1. Elementary: ENGL 121 , CTAC 124 , MATH 108 , MATH 110E , PHY 100 , ESSC 202 , all of the professional education courses, all courses that state "for elementary teachers." 4. Passing scores on all three sections of the Michigan Test for Teacher Certification Professional Readiness Exam Official score report must be on file at Eastern Michigan University. 5. Personal statement about your experiences with youth/children and why you are going into teaching. This statement will be read for content, grammar, and punctuation. 6. Completion of a Disposition Self Evaluation Form. 7. ICHAT criminal background check and Statement of Civil/Criminal Convictions. If you answered yes to any of the civil/criminal conviction questions on the application, you will need to provide: 1. A copy of the Judgment of Sentence, or Registrar of Actions, or Certification of Conviction. 2. A written explanation of the offense(s). Application of students with civil/criminal convictions will be carefully reviewed and may take longer to process. 8. Meet academic, social, moral, and financial obligations as a member of the EMU community.
