Program Information

Requirements for admission to early childhood (EC) degree program. Include admission requirements	Bay Mills Community College has an open admissions policy for students of any race, creed, color, and national or ethnic origin. Official high school transcripts or GED scores are required of all applicants seeking admission as regular students in degree and certificate programs. Students without a high school diploma can be admitted as Special Status Students. Special Status Students are required to complete their GED or high school diploma within one year. Applicants seeking admission to special programs may be admitted without a transcript. These special programs may include, but are not limited to, skill-upgrading classes, native studies, creative arts programs, adult basic education programs, etc. Applications for admission should be made as far in advance as possible.

List all 2-year schools with whom EC articulation agreements are in place	NA

Provide link or text which describes student degree transfer policy (from 2-year institutions to this university)	Transfer equivalencies differ from institution to institution. Therefore, students who wish to transfer to another college or university should plan their course of study accordingly. Although students will be assisted by their academic advisors and the Registrar in this process, they must assume responsibility for meeting the requirements of the college or university in which they plan to enroll. https://www.bmcc.edu/search/node/transfer
